WATERBLASTERS

Kranzle 10L/min 1740Psi Waterblaster

- Single phase 4-Pole Electrical Motor
- Total-Stop Auto-shutdown feature
- Spray gun with safety cut-out
- 10m steel fabric high pressure hose
- Continuously adjustable pressure control
- Brass pump head & ceramic coated pump pistons
- Dry-run safety & leakage return system
- 15A Plug

Part No.
KHD10/122TS

Kranzle 10L/min 1670Psi Waterblaster

1670psi, 10L/min cleaning power (up to 3700 EPSI with turbo nozzle), 15M Hose on Reel, Adjustable pressure make the German Made K1152TST-10A perfect for Heavy Duty Workshops, Car Valet, Serious Home use.

- Single phase
- Total stop system
- S/S lances including 'dirtkiller' turbo lance and flat fan jet lance
- Integrated hose drum with 15m steel braided hose
- Brass pump head & ceramic coated pump pistons
- Integrated trolley
- Spray gun with safety cut-out
- Dry-run safety & leakage return system
- 10A Plug

Part No.
K1152TST-10A

Unit

Kranzle 11L/min 2030Psi Waterblaster

2030psi, 11L/min working pressure makes short work of most industrial jobs. Packed full of features such as hose drum with 15m steel wire hose, stainless steel lances including 'dirtkiller' turbo lance and fan jet lance and graphite-packed seals for dry-run safety, this machine is designed to be your life partner in cleaning!

- Single phase
- Total-stop system
- Integrated trolley
- Continuously adjustable pressure control
- Brass pump head & ceramic coated pump plungers
- Dry-run safety & leakage return system
- 15A Plug

Part No.
K2160TST

Unit
EA

Kranzle Quadro 10L/min 2175Psi Waterblaster

Efficient and powerful single phase waterblaster in built with the latest technology and high pressure detergent system giving 30% more cleaning power than competitors models - up to 4000 PSI cleaning power with ""Dirt Killer"" Turbo nozzle included.

- Adjustable pressure control
- Graphite packed seals for dry-run safety
- Brass pump head & ceramic coated pump pistons
- 1400 RPM - for a lifetime of reliability
- Comes with 20m steel hose, trigger gun, 2x lances
- Made in Germany

Part No.
KQ599TST

Unit
EA

Kranzle Quadro 13L/min 2610Psi Waterblaster

Impressive power makes the KQ799TST ideal for shifting stubborn material in heavy industries. High Pressure detergent & ""Dirt Killer"" Nozzle gives you over 4000 PSI of cleaning power, meanwhile 20m steel wire hose on drum and 4 monster wheels ensures perfect portability.

- Comes with S/S 'dirtkiller' turbo lance, flat fan jet lance & hand gun with trigger
- Continuously adjustable pressure control
- Graphite packed seals for dry-run safety
- Built-in water tank
- Brass pump head & ceramic coated pump pistons
- 1400 RPM
- Made in Germany

Part No.
KQ799TST

Unit
EA

Kranzle Quadro 19L/min 2610Psi Waterblaster

Industry leader in the toughest industries including truck & tractor workshops, mining and farms.

- Heavy duty spray gun with safety cut-out
- Stainless steel 'dirtkiller' turbo lance, flat fan jet lance & 20m steel braided hose with hose drum
- Continuously adjustable pressure control
- Graphite packed seals for dry-run safety
- Built-in water tank for reliable water supply
- Brass pump head & ceramic coated pump pistons
- 1400rpm - For a lifetime of reliability
- Made in Germany

Part No.
KQ1200TST

HOT & COLD WATERBLASTER / PETROL WATERBLASTER

Lavor 10LPM 1885Psi Hot & Cold Waterblaster

This hot/cold waterblaster is a light commercial machine, great for cleaning jobs around the home and the workplace such as cars, vans, boats, house, pathways etc. Suitable for 4-5hrs/week. Complete with industrial gun, nozzle, lance & 8m high pressure hose.

- Ceramic coated S/Steel pistons (anti-crack)
- Diesel-fired hot water with low fuel alert
- On board detergent tank (low pressure application)
- Single Phase Power
- Made in Italy

Part No.
MISSISSIPPI

Unit
EA

**Lavor 10LPM 1885Psi Hot & Cold Waterblaster**

The NPX is ideal for automotive and light industrial applications. It comes complete with heavy duty gun, lance, nozzle & 10m steel wire-braided pressure hose.

- Single Phase, makes short work of grease, grime and dirt on tractors, trucks and Utes
- 3x Ceramic coated S/Steel pistons (anti-crack), brass pump head with built in by-pass valve
- Diesel fired hot water up to 140 Degrees
- On board detergent tank (low pressure application)
- Made in Italy

Part No.
NPX1310M

Unit
EA

**PowerShot 9.5LPM 6.5HP 3300Psi Petrol Waterblaster**

- Kohler SH265 6.5HP engine with low oil protection
- AAA Cougar Series triplex pump
- Heavy gauge professional chassis
- 10" Pneumatic tyres, 8m monster hose
- Pro-style spray gun & wand with QC nozzles
- Downstream detergent injection system for convenient use of detergents
- Powerboost technology for higher pressure at the nozzle cleaning surface
- Integrated unloader with easy start

Part No.
PS3395

Unit
EA

**PowerShot 11LPM 6.5HP 3000psi Petrol Waterblaster - Honda Engine**

- Premier Honda GX200 OHV engine
- Industrial CAT pump with brass pump head
- Heavy-duty, s/s frame with 10" pneumatic wheel for superior portability
- 15m abrasion resistant steel braided monster hose
- 5x quick connect nozzles including detergent nozzle
- Convenient on-board accessory storage

Part No.
PS3000HD

Unit
EA

**Powershot 16LPM 13HP 4200Psi Petrol Waterblaster - Honda Engine**

- Premier Honda GX390 OHV Engine
- Industrial Triplex CAT pump with brass pump head, ceramic pistons, thermal relief system
- Heavy duty S/S frame with E54 pneumatic wheels for superb portability
- 15m abrasion-resistant steel braided monster hose
- 5x quick connect nozzles, including detergent nozzle
- Convenient on-board accessory storage

Part No.
PS4200HD

EA

STEAM CLEANER

Kranzle Therm Compact 11L/min 1885Psi Steam Cleaner

This compact high pressure steam cleaner is the perfect tool for destroying grease and dirt in automotive workshops, farm machinery and other heavy use applications.

- 10m steel braided hose
- 4 way safety system with overload protection
- Industrial single phase with 5m power lead
- Brass pump head
- Slow speed 1400rpm - for a lifetime of reliability
- Made in Germany

Part No.
CA11/130

Unit
EA

Kranzle Therm 10.6L/min 1885Psi Steam Cleaner

Best in single-phase! Destroys grease and grime with ease, making this perfect for regular use on heavy machinery, transport and in food processing/manufacturing plants.

- 4 way safety system with overload protection
- Dry-run protection
- Hand gun with trigger, 2x S/S lances
- Continuously adjustable digital temperature control and pressure
- Made in Germany

Part No.
KTH635-1

Unit
EA

Kranzle Therm 14.9L/min 2830Psi Steam Cleaner

Destroys grease and grime easily and the 25L fuel tank allows for longer operating times. This is ideal for use on heavy machinery and a variety of cleaning tasks in the automotive, agricultural, building and food industries.

- Dry run protection for peace of mind on worksites
- Adjustable temperature and pressure control
- 4 way safety system with overload protection
- Comes with Hand gun with trigger, 2x S/S lances
- Made in Germany

Part No.
KTH895-1

Unit
EA

Kranzle Therm 19.4L/min 2390Psi Steam Cleaner

Destroys grease, grime, and any heavy material such as mud and sludge. Ideal for use on heavy machinery, tractors and dairy sheds.

- Dry Run Protection for peace of mind on worksites
- 35L Fuel tank for long running times without interruption
- 4 way safety system with overload protection
- Continuously adjustable pressure & digital temperature control
- Comes with Hand gun with trigger, flat jet nozzle & s/s lance
- Made in Germany

Part No.
KTH1165-1

Unit

FLOOR SCRUBBER / HAND POWERED SWEEPER

Kranzle 800mm Hand-Powered Sweeper

The KC800 effortlessly picks up dirt in an ergonomic, easy to operate package for both indoor and outdoor spaces

- Adjustable push bar for comfortable and speedy sweeping action
- Avoids direct contact with dirt
- Easy emptying of impact-resistant waste bin
- Foldable, continuously height-adjustable side brushes
- Large wheels for ultimate portability
- Combined hard/soft bristles for superior cleaning performance

Part No.
KC800

Unit
EA

**Lavor Battery Powered Floor Scrubber**

Suitable in congested areas like shops, offices, kitchens, schools, hospitals, gyms, restaurants and showrooms.

- Powered by 12V battery
- 360mm scrubbing width
- Up to 1260m²/hr cleaning capacity
- Made in Italy

Part No.
QUICK36

Unit
EA

**Lavor 11LPM 1740Psi Steam Cleaner - S/S Boiler**

With maximum reliability, the best technology and components including a stainless steel boiler coil and a low speed 1450 RPM linear pump with high pressure detergent application, this single phase machine is a top performer. For use in all commercial and industrial tasks.

- Single Phase, 3000W, 230V, 50Hz
- Max Temp inlet/outlet 40/140°C
- Comes with 10m wire braided hose, handgun, lance and nozzle

Part No.
HYPER1211-INOX

Unit
EA

**Lavor 15LPM 2900Psi 3Ph Steam Cleaner - S/S Boiler**

Powerful commercial duty steam cleaner/cold water blaster. Designed & manufactured specially for heavy applications such as cleaning diggers, trucks & for farming applications.

- Three Phase, 7300W, 400V, 50Hz
- Max temp inlet/outlet 40/140°C
- 10m high pressure wire weave hose
- Long life 1450RPM pump and motor
- Elastic pump coupling for quiet operation
- 22L diesel tank, 6.6L/hr diesel consumption
- S/S boiler coil for high thermal efficiency

Part No.
HYPER2015-INOX

Unit
EA

**Lavor 21LPM 2900Psi 3 Ph Steam Cleaner - S/S Boiler**

With super duty Roto-moulded ABS chassis and water cooler 1450 RPM motor, the Hyper2021 is built super tough for rugged environments. Its the most powerful in its class, with the most stubborn grease and grime being removed from trucks, tractors and equipment.

- Three Phase, 9700W, 400V, 50Hz
- Max temp inlet/outlet 40/140°C
- 10m high pressure wire braided hose
- H.D pressure regulator & elastic pump coupling for quiet operation
- 22L diesel tank, 6.6L/hr diesel consumption
- Diesel-fired boiler
- S/S Boiler for high thermal efficiency

Part No.
HYPER2021-INOX

WET & DRY VACUUM

Lavor 65L 2000W Wet & Dry Vacuum

Designed for daily light industrial use and well-suited to the common demands of cleaning contractors, garages and workshops.

- Powerful twin 1000W motors (2000W)
- Stainless steel tank
- Ideal for all tradesmen, Workshops and Valet
- Super heavy duty construction for a lifetime of use
- Bag filtration (Cartridge Optional)
- Made in Italy

Part No.
Windy265IF

Unit
EA

Lavor 65L 3000W Wet & Dry Vacuum

Recommended for the toughest of cleaning jobs. With a 7.5m power cable to Reverse Flow self-cleaning system, this is perfect for car/truck workshops, commercial contractors and home use.

- 3 Powerful motors (3000W)
- Stainless steel tank
- Ideal for all tradesmen, Workshops and Valet
- Super heavy duty construction for a lifetime of use
- Bag filtration (Cartridge Optional)
- Made in Italy

Part No.
Windy365IR

Unit
EA

30L 1400W Wet & Dry Vacuum L-Class

Recommended for safe suction of low/moderate risk dusts such as household dusts, general dirt, plaster, aluminum, soils, & soft wood sawdust.

- Multi Stage Filtration
- L-Class - filters catch 99% of dust (<2 microns)
- Reliable Construction For Intensive Use
- High Efficiency Semi-Automatic Filter Cleaning System
- Constant High Suction Performance
- Safe Containment Bag
- Drain Valve For Easy And Fast Tank Emptying
- Bag Full Indicator Alerts the User if there Is a Clogging Issue or if Filter is Full
- Speed And Noise Regulator - Easy To Use: Just Turn The Control Knob To Adjust Noise Level

Part No.
PRO30L

Unit
EA

27L 1200W Wet & Dry Vacuum/Extractor

Ideal for domestic and light commercial tasks such as shampooing carpets, curtains, upholstery, arm chairs and car seats etc. It is capable of being used as a wet & dry vacuum and upholstery/carpet extractor.

- 1 motor
- Quiet and safe to operate
- Strong vacuum for rapid drying results
- Easy to use with accessories included
- Great results on carpets and upholstery

Part No.
LA VE0210

Unit
EA

37L 1400W Wet & Dry Vacuum

Compact, yet powerful - this vacuum is ideal for contractors, construction use, factories and other trade use.

- Powerful by-pass motor 1400W
- Corrosion resistant, high impact tank
- Liquid level control valve for easy management
- 4x robust wheels for easy transportation
- Lightweight as only 10kg

Part No.
PL VH0303

Unit
EA

90L 2400W Wet & Dry Vacuum

Built to European standards, this wet and dry vacuum is extremely versatile and reliable, making it ideal for workshops, contractors and a range of commercial applications.

- 2x high performance twin motors @ 1200W ea
- High impact, shock resistant tank
- Larger tank for longer running times
- Large rear wheels and durable handle allow for easy movement
- Power tool socket included

Part No.
EU VH0423

Unit
EA

107L 3000W Wet & Dry Vacuum

Suited to industrial applications.

- 3x powerful motors @ 1000W ea
- Practical tip trolley frame with durable wheels for easy moving and emptying
- Superior suction performance even when using extra-long hoses
- Heavy duty construction
- Features a Sanifilter for additional level of cleaning protection, helping to inhibit bacteria, fungus and other potential contaminants

Part No.
EU VH640
