

RINGFEDER AUTOMATIC COUPLING OILER

IMPROVE OPERATION AND MAKE YOUR TRAILER COUPLING LAST LONGER

Proper lubrication eases movements and makes the coupling less prone to wear and corrosion. This increases reliability and reduces the need for repairs.

WHY RINGFEDER® AUTOMATIC COUPLING OILER?

- ✓ Continuous lubrication of the coupling mechanism for optimal performance and reliability.
- ✓ No time-consuming and strenuous manual work – this especially applies to couplings in underslung position.
- ✓ Filled with special RINGFEDER Coupling Oil – with higher viscosity, adhesion, and corrosion protection.
- ✓ Easy to install.
