Hazero Everyday Spill Kit - Oil Only - 20L Pail

Product Code: 13-1013

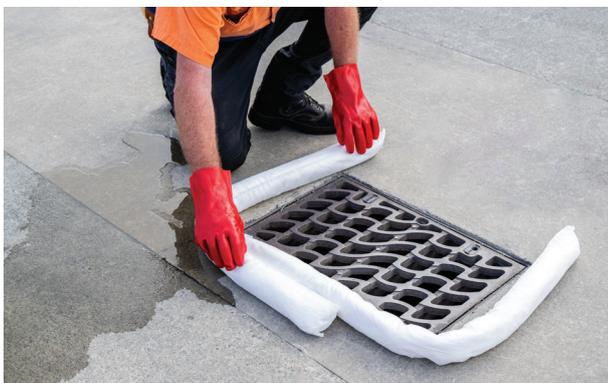

Benefits

Kiwis love water. But the joys of working around it come with extra responsibilities, whether you're boat painting or carrying out maintenance. This crucial kit helps with quick responses to spills of fuels or oils on water.

Designed to absorb up to 20 litres of hydrocarbon contaminants quickly and efficiently, while leaving water behind, they protect our environment, aquatic life, and businesses' reputations. And, because in the heat of the moment, it's easy to forget spill training, each kit includes a step by step Spills Response Procedure Guide to get things back under control.

Recommended for smaller business. Need something larger? Check out the Hazero Everyday Spill Kit - Oil Only - 100L.
