Description	<ul style="list-style-type: none"> <li>• Chrome Finish, 40 in. Length</li> <li>• Steel body, Gray color</li> <li>• Enclosed spring design</li> <li>• Single mounting hole</li> </ul>
Ref. #	9400G, 581103, 34200
Applications	Universal
Shipping	<b>Parcel Friendly</b>
Unit Size	1
Weight	4.5 lbs
Pkg. Dims (in)	42.75 X 3.035 X 2.835
Pkg. Dims (in)	
Arrival Date	July 2010

## Product Overview

Automann's pogo stick manages and secures air lines and electrical cables running between the tractor and trailer. Chrome-finish steel construction with an enclosed spring holds cables clear of the ground and deck plate, preventing dragging, tangling, and premature wear during transport. Mounts behind the cab with a single fastener.

## Specific Features & Benefits

- 40 in. Steel body provides sufficient reach for standard tractor-trailer hose and cable configurations
- Enclosed Spring design protects the spring from road debris and contamination
- Single Mounting Hole enables fast installation to the frame behind the cab with minimal hardware
- Secures Air Brake and Electrical Lines to prevent dragging or kinking during transport

## Specifications

Attribute	Value
Applications	Universal
Overall Length	40"
Finish	Chrome
Number of Mounting Studs	1
Body Material	Steel
