

8 TON Combination Hitch 50 Millimeter Ball

Buyers Part Number: BH850MM

Buyers Products 8 Ton Combination Hitch allows you to switch from ball hitch to pintle hook towing without changing hitches.

- Handles multiple towing needs with its interchangeable design.
- Ideal for a wide range of light to medium duty trucks with a maximum gross towing weight of 16,000 lb.
- Versatile design can accommodate a variety of trailer heights.
- Tough, interchangeable forged steel hitch ball.
- Durable and long-lasting drop-forged construction, with a corrosion-resistant powder-coated finish.
